THE MAYOR AND CITY COUNCIL OF BALTIMORE

This Memorandum of Understanding entered into this 1st day of July 2005 between the Mayor and City Council of Baltimore (hereinafter referred to as "Employer") and City Union of Baltimore, Local 800, AFT, AFL-CIO (hereinafter referred to as "CUB"). To the extent that implementation of these points requires action by the Board of Estimates and/or the City Council, this Memorandum will serve as a request and recommendation to such bodies that it be so implemented.

ARTICLE 1: DECLARATION OF PRINCIPLE, POLICIES AND PURPOSE

It is the intent and purpose of CUB and the Employer to promote and improve the efficiency of the operations of the City of Baltimore. In order to render the most efficient public service to the citizens of the City, CUB and Employer agree that this goal can best be achieved through an orderly, constructive and harmonious relationship between them. The parties hereto are in further accord that effective employee relations in the public service requires a clear statement of the respective rights and obligations of labor and management and for this purpose enter into the following Memorandum of Understanding.

The Employer and CUB agree that in all instances in this Memorandum in which the masculine form of the third person pronoun is used, such pronoun shall refer to both male and female employees.

ARTICLE 2: RECOGNITION

A. Pursuant to the provisions of the Municipal Employees Relations Ordinance ("MERO") Article 12 of the Baltimore City Code and the Code of Public Laws of Baltimore City, the Employer recognizes the City Union of Baltimore ("CUB" or "Union") as the exclusive representative of all eligible employees in the Unit for which CUB has been certified.

B. All Classification Titles and the current pay grade for each title included in the Units for which CUB has been certified shall be listed in the Roster of the Unit. The Employer agrees to furnish CUB a complete list of classification titles and pay grades for all classes which, through reclassification, change in duties, change in titles, or any other reason are proposed as additions, deletions, or changes to Units for which CUB has been certified prior to any such changes. The list to be furnished shall include the name and work location of each person currently employed in the bargaining unit.

C. The Employer agrees to provide CUB with advance notice in writing should it decide that a position within the Unit should be excluded. The notice shall include a reason for the exclusion and CUB shall be given the opportunity to discuss the matter.

ARTICLE 3: CHECKOFF

The Employer agrees to deduct CUB dues or service fees from the pay of any employee who is certified and represented and who has authorized in writing such deduction pursuant to the pertinent provisions of the Municipal Employee Relations Ordinance. The Employer shall promptly transmit all such moneys withheld to CUB on a monthly basis through the Automatic Clearinghouse (ACH), without charge to CUB.

B. The Employer agrees to deduct CUB service fees from the pay of any employee who is certified to be represented, is not a member of the local union and not excused from the payment of service fees pursuant to the pertinent provisions of the Municipal Employees Relations Ordinance. The Employer shall promptly transmit all such moneys withheld as service fees to CUB on a bi-weekly basis, without charge to CUB.

C. Political Action Checkoff

The Employer agrees to deduct from the pay of each employee from whom it receives an authorization to do so, an amount authorized by the employee for political action. If administratively possible, the amount authorized by the employee shall be deducted on a bi-weekly basis, and a list of the employees from whom the deductions have been made and the amount deducted from each, together with a list of the employees who had authorized such deductions, shall be forwarded to the Union no later than two weeks after such deductions have been made in a separate check from Union dues. B. Grievances involving employees and operations of the Police Department may be pursued through the procedures set forth in Section A above, except that if a grievance is submitted to the Personnel Service Board in accordance with the provisions of Subtitle 16, Section 16-12 of the Code of Public Laws of Baltimore City, the employee and the Union shall be deemed to have waived their right to have the grievance processed through Section A above.

C. Time limits under this Article may be changed in writing by mutual Agreement.

ARTICLE 16: DEATH AND ACCIDENTAL DEATH AND DISMEMBERMENT AND CATASTROPHIC ILLNESS BENEFITS

A. Death benefits shall be provided in the amount of \$17,630 or the employee's annual salary, whichever is greater. The death and dismemberment benefits for permanent part-time employees who work an average of 50% of a regularly scheduled work week shall be the greater amount of their annual salary or that percentage of \$17,630 which corresponds to the percentage of the work year of a full-time employee which is represented by that part-time employee's regularly scheduled annual hours.

Dismemberment benefits shall be as follows:

1. For the loss of a hand, foot, or the sight of an eye, the benefit will be one-half (1/2) the amount specified in A, above.
2. For a double dismemberment, the benefit will be equal to the amount specified in A, above. Double dismemberment shall be defined as:
 - (i) Both hands or both feet
 - (ii) One hand and one foot
 - (iii) One hand and the sight of one eye
 - (iv) One foot and the sight of one eye
 - (v) Sight of both eyes

B. In the event of accidental death, the benefit payable shall be double the amount specified in A, above.

C. The death benefit as stated in A, above, may be paid in advance to employees who are catastrophically ill. An employee who is catastrophically ill is characterized by the following: (1) he is totally disabled and therefore cannot work for the City or any other Employer in an active or limited capacity, (2) his medical prognosis shall state that the disabling illness which arose either suddenly or gradually is likely to cause the death of the affected employee within a two (2) year period, (3) the affected employee must apply for an ordinary disability retirement allowance or a service retirement allowance, if over age 60, to be eligible for the catastrophic illness payment.

The claim must be filed within six (6) months after the claimant has become incapacitated or disabled and is unable to return to work.

The Department of Human Resources shall be charged with administering the catastrophic illness benefit and determining the eligibility of the claimant for said benefit. Upon request, CUB or the employee shall furnish the Department of Human Resources with any and all data and documentation pertaining to each claim. The Department of Human Resources may order examination of the claimant by a physician of its choice. No benefits may be paid for injuries or disabilities for which compensation was paid under (1) Workers' Compensation laws or (2) accidental disability provisions of the Employees' Retirement System. If the decision of the Department of Human Resources is unsatisfactory to CUB, an appeal may be made to the Catastrophic Illness Appeals Board. Said Board shall be comprised of three (3) members; one member chosen by the City, one member chosen by CUB, and a third member chosen by both parties to serve as impartial chairman of the Board. The impartial chairman must possess an M.D. degree. In its deliberations, the Board shall be furnished any and all data and documentation pertinent to the appeal by both parties. The Board may order examination of the appellant by a physician of its choice.

If the claimant should expire after it has been determined that his illness is catastrophic and before the catastrophic illness benefit is paid, the payment shall be made to the named beneficiary or guardian upon receipt of a valid death certificate showing that the illness which was previously determined as catastrophic contributed to or was directly responsible for the death.

D. An employee's coverage under this Article shall be terminated upon resignation or 39 days after the last day he was in pay status on the City payroll, except that employees represented by CUB shall be covered by a reduced death benefit of \$5,000 if they retire from City employment. Retired persons so covered shall also be covered by the Accidental Death and Dismemberment provisions outlined herein above at the reduced rate.

E. Beneficiary

The beneficiary of these benefits will be one of the following:

- (a) The beneficiary designated by the employee to receive retirement system benefits;
or
- (b) A specifically designated beneficiary of the above benefits, in lieu of the beneficiary designated in (a) above.

If the employee so designates a beneficiary, he shall have the right to change the beneficiary at any time. The beneficiary change shall become effective on the date acknowledged by Employer.

F. Employees of the Police Department shall remain eligible for the benefits of the Death Relief Fund as set forth in applicable State Law during the term of this Memorandum of Understanding.

ARTICLE 17: HOURS OF WORK

A. All regular classified employees as well as all shift employees shall work a regular workday of eight (8) consecutive hours including a forty (40) minute lunch (within each twenty-four (24) hour period) totaling forty (40) hours per week, to begin at such times designated by

each department as regular workdays and regular shift workdays. A work shift shall consist of eight (8) consecutive hours including a forty (40) minute minimum lunch period. In the case of the Police Department, employees may be required to work more than one shift in a twenty-four (24) hour period to accommodate routine shift rotations.

B. Shift and other employees shall not be required to work more than sixteen (16) consecutive hours without an eight (8) hour break, except in case of an emergency endangering life, health or safety. If an employee is required to work for more than sixteen (16) consecutive hours under such an emergency situation, that period shall not exceed twenty-four (24) consecutive hours. Employees shall not be regularly required to work more than sixteen (16) consecutive hours. After 24 hours, the Department or Agency Head must declare an emergency if the Employer wishes to consider the situation "an emergency" under this provision.

C. Work schedules showing the employee's shifts, workdays, and hours shall be posted on each department bulletin board at all times and at all locations within the department where shift work takes place.

D.

1. All employees shall be granted a duty-free lunch period during each work shift. Whenever possible, the lunch period shall be scheduled at the middle of each shift.

2. In those work sites in which the City has heretofore provided lunch facilities, the City will either provide adequate facilities or stagger lunch breaks where necessary to insure each employee a full forty (40) minute lunch period. With the approval of the appropriate supervisor, employees shall be allowed to leave the work premises during duty-free lunch periods. Approval will not be unreasonably denied.

3. If an employee's unpaid, duty-free lunch is interrupted because of plant operations and the employee is not given time during his shift to finish lunch, the uncompleted portion of the lunch period shall be paid at the appropriate overtime rate.

E. An employee required to work three (3) or more hours immediately preceding a normal full-time work shift or immediately following the completion of a normal full-time work shift shall receive a meal allowance of \$5.00.

F. Call Back -- Employees called in to work outside of their regular shift shall receive pay for a minimum of four (4) hours at the rate of time and one-half (1½) their regular pay. Any employee called to or required to work prior to or after his regular shift, but annexed consecutively to one end or another thereof, shall be paid in accordance with the provision outlined in Article 18, Overtime, but in no event less than one hour, and the aforesaid four (4) hour minimum provision shall not apply. The employee shall then be paid for the balance of his regular work shift at the appropriate rate. Nothing herein shall be construed as to mean compounding of overtime. This four (4) hour minimum shall not be counted as time worked for overtime purposes.

G. When a Unit member is ordered to stand by during his off duty hours and remain available by telephone for call back to duty, that Unit member shall be paid at one and one half times (1½) his regular rate of pay for all hours spent on such stand by assignment.

ARTICLE 18: OVERTIME

A. All hours worked in excess of forty (40) hours scheduled within a work week shall be considered overtime and non-exempt employees shall be compensated at the rate of one and one-half (1½) times their normal straight time rate of pay. All paid leave shall be counted as hours worked in the computation of overtime. The straight time rate shall be based upon the employee's annual salary divided by 1906.

B. After forty (40) hours of work in a work week, non-exempt employees shall have the option to receive overtime compensation as a cash payment or as compensatory leave. Effective July 1, 2005, all eligible employees in the Police Department except for employees assigned to Communications Section shall receive cash payment or compensatory time. Effective July 1, 2006 eligible employees in the Police Department's Communications Section shall receive cash payment or compensatory time. The maximum accumulation of compensatory time shall be two-hundred forty (240) hours.

C. Exempt employees shall follow the City overtime policy.

D. The overtime rate of pay for all hours worked on the seventh consecutive day worked in a regular work week shall be at the rate of two (2) times the normal straight time rate of pay.

E. Where, in the normal operation of a Department, work is regularly scheduled on Saturdays and/or Sundays, ten (10) days of work shall be scheduled in each fourteen (14) day period. An employee working this type of schedule shall be paid one and one-half (1½) times his hourly rate as provided above in A, except that for all hours worked in excess of twelve (12) work days during the fourteen (14) day work period, the employee shall be paid two (2) times his hourly rate.

F. Overtime work shall be offered equally to employees working within the same job classification in each work area. The offering of overtime shall be equalized over each six (6) month period beginning on the first day of the calendar month following the effective date of this Agreement or on the first day of any calendar month this Agreement becomes effective. Insofar as practical on each occasion, the opportunity to work overtime shall be offered to the employee within the job classification who has the least number of overtime hours to his credit at that time. If the employee does not accept the assignment, then the employee with the next fewest number of overtime hours to his credit shall be offered the assignment. This procedure shall be followed until the required employees have been selected for the overtime work. Each Department shall maintain an up-to-date list of overtime hours offered and worked which shall either be posted on a bulletin board and/or kept in an overtime log book for employee access.

G. Overtime work shall be voluntary except in the event of an emergency situation. There shall be no discipline against any employee who declines to work overtime, except in the event of an emergency. For the purpose of this paragraph, an emergency situation is defined to mean an unforeseen serious situation or an occurrence that happens unexpectedly and demands immediate action. A record shall be kept for each employee, showing the number of hours of overtime he was offered but refused to work. These hours shall be counted towards overtime hours offered as per Article 18F.

H. Any assigned City vehicle should be returned to the City lot at the close of the work day. Any employee not allowed to leave the job site before quitting time will be paid for the

period of time necessary to return the vehicle to the City lot, in accordance with the Employer's overtime policy.

I. Employees of the Police Department shall receive overtime at the rate of one and one-half ($1\frac{1}{2}$) times their regular rate, with a two (2) hour minimum for court appearances outside of working hours. Such employees shall also receive overtime at the rate of one and one-half ($1\frac{1}{2}$) times their regular rate when summoned as a witness in a departmental hearing outside of working hours.

J. The Employer shall not vary or rearrange work schedules to avoid the payment of overtime. The Police Department may vary or rearrange work schedules of unit employees to accommodate court appearances and this shall not be considered varying or rearranging schedules to avoid the payment of overtime.

K. The Employer will make every effort to pay for overtime hours worked within two (2) pay periods following the pay period in which such overtime was worked.

ARTICLE 19: FLEXTIME

The Employer and CUB agree to cooperate in promoting the highest efficiency and productivity at the least cost to the taxpayer. In the pursuit of this objective the Employer and CUB shall establish a Joint Flexitime Committee consisting of five (5) members appointed by each party for the purpose of studying the issue of flexitime and composing recommendations which would lead to the implementation, where possible, of flexitime rules. The Committee shall meet on a continuous basis upon request of either party. Any Committee recommendations will be submitted to the Labor Commissioner for appropriate action.

ARTICLE 20: VACATION LEAVE

A. Vacation leave for employees covered by this Memorandum of Understanding is accrued in relationship to the length of continuous service with the Employer as follows:

1. Employees with less than six (6) years of service shall earn vacation leave of one (1) working day for each month of completed service, or a total of twelve (12) days per year.

2. Employees who have six (6) but less than eleven (11) full years of completed service shall earn vacation leave of one and one-quarter ($1\frac{1}{4}$) working days for each month of completed service, or a total of fifteen (15) days per year.

3. Employees who have eleven (11) but less than fourteen (14) years of completed service shall earn vacation leave of one and one-half ($1\frac{1}{2}$) working days for each month of completed service, or a total of eighteen (18) days per year.

4. Employees who have fourteen (14) but less than nineteen (19) years of completed service shall earn vacation leave of one and three-quarters ($1\frac{3}{4}$) working days for each month of completed service, or a total of twenty-one (21) days per year.

5. Employees who have completed nineteen (19) or more years of continuous service shall earn vacation leave of two (2) working days for each month of completed service, or a total of twenty-four (24) days per year.

B. Vacation may be taken by employees entitled thereto subject to the approval of their supervisor. Such approval shall not be unreasonably withheld. Request for vacation on the prescribed agency form shall be completed by the employee and submitted to the supervisor at least one (1) week prior to the requested commencing date, if the leave is to extend for one (1) week or more. Except in cases of emergency, leave requests for amounts of time less than one (1) week are to be submitted at least one (1) full working day prior to the expected start of the leave. Every effort shall be made to respond to vacation requests within one (1) week of the initial request. While every effort shall be made to meet the desires of employees who request their periods of vacation leave, vacation schedules must conform to the requirements of operations and vacations must be taken as scheduled by the supervisor. Conflicting requests for vacation shall be resolved on the basis of seniority.

C. Pay for all vacation days will be based on the employee's regular rate of pay.

D. Employees may use only earned vacation leave. Employees shall be allowed to accumulate vacation leave up to the maximum number of days earnable for a five (5) year period as determined by their current rate of accrual. The Police Department shall continue to follow General Order (GO) 12-90, as amended on January 21, 1991, with respect to accrual and use of vacation leave for unit members.

E. Any holiday as defined in this Memorandum which falls within an employee's scheduled vacation shall not be counted as a day of vacation leave.

F. Employees on vacation leave on any day of early closing shall be charged the full vacation leave that they would have been charged if the early closing had not occurred.

G.

1. Vacation leave must be taken in units of no less than forty-five (45) minute intervals.

2. In May and October of each year, employees may opt to convert up to two (2) days of accumulated vacation leave to compensatory time.

H. Vacation leave shall accrue provided that the employee is in pay status at any time during the payroll period in which his anniversary date occurs.

I. Prior service shall be recognized in computing vacation entitlement of employees who had permanent status at the time of lay-off due to lack of work or lack of funds and who are subsequently re-employed.

J. Employees who are re-employed, except as specified in I above, following a break in service of no more than one year, shall be considered as new employees for the purpose of computing vacation allowance.

K. Whenever employees transfer from a permanent City position to another permanent City position without a break in service, they shall be entitled to retain their vacation, sick leave, personal leave and compensatory time balances.

L. Employees may, when granted leave of absence for military service, utilize their accrued vacation. If such vacation leave is not utilized, it shall be retained pending their return to City service.

M. In addition to payment for the accrued vacation of employees who die, their legal heirs shall be granted a bonus equivalent to the amount of vacation to which the employee would have been entitled for twelve (12) months of service; provided, however, that if within six (6) months immediately prior to the employee's date of death, the employee had been granted extended sick leave in excess of the bonus entitlement, bonus leave shall not be approved. Payment for vacation and bonus leave shall be made to those entitled by law to inherit from the deceased employees.

N. Employees who are separated from City service, regardless of reason, shall be paid in full as of their date of separation for any accumulated vacation (up to the maximum number of days earnable for a four (4) year period), personal leave, overtime, compensatory time (unless exempt from FLSA Provision), or bonus pay, except in the case of bona fide indebtedness to the Employer. The cut-off ticket must contain, therefore, a recording of all leave due to the employees upon their retirement or resignation.

O. All part-time employees hired after June 30, 1982, must consistently work an average of 50% of a regularly scheduled work week to be eligible for vacation leave. Eligible part-time employees shall accrue vacation leave in accordance with the following schedule:

P.

1. Part-time permanent employees with less than six (6) years of completed continuous service shall earn vacation leave of one working day for each one hundred sixty (160) hours worked.

2. Part-time permanent employees with six (6) but less than eleven (11) years of continuous completed service shall earn vacation leave of one and one-quarter (1¼) working days for each one hundred sixty (160) hours worked.

3. Part-time permanent employees with eleven (11) but less than fourteen (14) years of completed continuous service shall earn vacation leave of one and one-half (1½) working days for each one hundred sixty (160) hours worked.

4. Part-time permanent employees with fourteen (14) but less than nineteen (19) years of completed continuous service shall earn vacation leave of one and three-quarters (1¾) working days for each one hundred sixty (160) hours worked.

5. Part-time permanent employees with nineteen (19) or more years of continuous completed service shall earn vacation leave of two (2) working days for each one hundred sixty (160) hours worked.

In each instance, the vacation day shall be eight (8) hours.

Q. Employees who have not previously served a probationary period shall earn vacation at the rate of one (1) day per month of completed service and shall be entitled to use their accumulation upon the completion of their probationary period of six (6) months. The probationary period shall not interfere with the employees' privilege of using sick leave or personal leave as it is accumulated; provided, however, that in the event a probationary employee's service is terminated, all earned accumulated leave referred to above shall be forfeited.

R. Employees who become ill during their vacation may request that their vacation leave be converted to sick leave provided that (1) the illness is reported at its onset and (2) medical verification is provided upon return to work. Only those vacation days upon which the employee was ill will be eligible for conversion to sick leave.

ARTICLE 21: SICK LEAVE

A. Sick leave with pay shall be received by employees who have accrued sick leave and who are required to be absent from duty because of personal sickness, injury, medical appointments, or pre- or post-natal disability.

B. Sick leave shall accrue at the rate of (1) day for each month of completed service, provided that the employee is in pay status at any time during the payroll period in which her/his anniversary date occurs. Unit members appointed to the Police Department prior to July 1, 1973, shall continue under the present sick leave accumulation policy.

C. There shall be no ceiling on accumulation of sick leave.

D. Employees may convert to cash one (1) day of unused sick leave for each four (4) days of sick leave accrued during the sick leave year at their rate of pay at the time of conversion. The sick leave year begins on the day immediately following the last payroll period in November and extends through the last payroll period in November of the following year. All sick leave days not converted to cash shall be carried forward and retained as accrued sick leave. Payment for such converted sick leave will be made by a separate check, including the usual deductions for taxes and social security, and shall be made to such employees no later than December 24.

E. Employees who resign or terminate employment after June 1 of a given year shall be entitled to convert to cash one (1) day of unused sick leave for each four (4) days of sick leave accrued during the then current sick leave year, at the time of said resignation and/or termination from City Service.

F. In addition to their accrued vacation leave, employees who are pensioned or who elect to terminate their service without pension and have completed at least twenty (20) years of service, regardless of age, shall be entitled to a bonus of one (1) day's pay for each four (4) days of unused accumulated sick leave at the time of their retirement and/or termination from City service.

G. Sick leave will not be granted where there is evidence of abuse of the sick leave principle through malingering or false application for such leave. In the event the Employer believes that evidence of abuse exists and upon request by the employee, the Employer shall provide the employee with the reasons in writing why it is denying the sick leave.

H. Sick leave must be taken in units of at least forty-five (45) minutes.

I. Employees shall notify their department prior to the start of the employee's work shifts on the first day of absence due to illness, and at such intervals as specified by the department for the duration of such absence. Civilian employees of the Fire Department shall not be required to report to the Police/Fire Clinic in order to take sick leave nor shall they be required to report to the Police/Fire Clinic in order to return to duty from sick leave.

J. All use of sick leave is subject to verification. Periodic examination by the Employer's physician shall be at the Employer's expense. However, a physician's statement from an employee's private physician may not be required for periods of absence less than three (3) consecutive days, unless abuse is suspected. In the event abuse is suspected, the Employer shall provide the basis for such suspicion at the time a physician's statement is required and provide such explanation, in writing, as soon thereafter as practical.

K. Sick leave with pay shall be granted for pre- or post-natal disability to an employee who is disabled to such a degree that she is unable to provide service to the Employer. The Employer and CUB recognize that this disablement will occur, in most cases, during the period four (4) weeks before delivery and six (6) weeks after delivery.

An employee who is temporarily absent due to reasons described above from her position and who remains on the payroll in either an "S" or "SX" status due to that continuing disability, and who is not on a leave of absence, shall be allowed to return to her respective position at the end of the disability.

L. Should a day designated herein as a holiday occur while an employee is absent on sick leave, such day shall be observed as a holiday and shall not be charged against sick leave.

M. Employees with at least two (2) years of service who are unable to return to work after all of their accrued sick leave, vacation leave, personal leave and compensatory time has been exhausted may request extended leave with pay. If the Department Head deems such an extension advisable, he may recommend it to the Department of Human Resources. Such request must be accompanied by a medical certificate. The formula for sick leave extension will be based on the last two (2) full years, excluding current illness. No extension, however, may exceed the number of days allowed in the basic sick leave plan; one (1) day per month of completed service (or in the case of part-time permanent employees one (1) day for each one hundred sixty (160) hours worked). Upon return to work and after accumulating ten (10) sick leave days, an employee receiving this benefit shall reimburse the City for one-half (1/2) of the extended sick leave days granted. If a request is denied by the Department Head, an appeal may be made to the Department of Human Resources.

N. All part-time employees hired after June 30, 1982, must consistently work an average of 50% of a regularly scheduled work week to be eligible for sick leave. Eligible part-time employees shall accrue sick leave at the rate of one (1) day sick leave for each one hundred sixty (160) hours.

Crossing Guards will be eligible for this prorated benefit.

O. Up to five (5) days of accumulated sick leave may be used by a Unit member in the case of illness in the Unit member's immediate family, as defined in the Family and Medical Leave Act. Employees of the Police Department hired before July 1, 1973 and who do not accrue sick leave are eligible for this benefit. For purposes of this provision, immediate family under the FLMA shall mean child including biological, adopted, foster, step child or legal ward, or other child for whom the employee has day to day responsibilities for care and legal support who is under the age of eighteen or older if the child has a mental or physical disability, spouse, domestic partner, or parent. Should the FMLA be modified so as to change this definition of immediate family, this provision shall be considered so modified.

P. Sick leave that is requested in advance for medical appointments shall not be unreasonably denied nor counted as an Occurrence against that employee under the Attendance Monitoring Program.

Q. The City Union of Baltimore Sick Leave Bank hereinafter referred to as “the Bank” will continue in effect. Membership in the Bank will be voluntary for all employees. All new employees who request membership will be assessed one (1) day of sick leave for deposit in the Bank.

A member of the bargaining unit may receive a grant from the Bank only after:

1. Filing an application with the Sick Bank Committee.
2. Submitting satisfactory medical evidence of the illness or injury.
3. Submitting evidence of having exhausted all accumulated leave.

The Board of Directors of the Bank shall be composed of four (4) representatives of the Union appointed by the President and four representatives of the Employer appointed by the Labor Commissioner.

New employees must join the Bank within the first thirty (30) days after completion of their probationary periods or lose their right to join until the next contribution period. Employees entering the bargaining unit must join the Bank within the first thirty (30) days or lose their right to join until the next open enrollment period.

Employees may relinquish their membership in the Bank at any time; if they do so, however, they will lose their contributions in the Bank and will not be allowed to join again until the next contribution period.

A member will lose the right to receive grants from the Bank if his employment with Baltimore City is terminated.

All contributions will remain in force and cannot be returned even upon cancellation of membership.

All unused sick leave days in the bank at the end of the year shall be carried over to the next year.

Sick leave conversion shall not be affected by participation in the Bank unless the contribution is taken from the current year’s accumulated sick leave balance.

ARTICLE 22: PERSONAL LEAVE

A. Permanent employees, except employees in the Police Department, shall be entitled to three (3) personal leave days per year. Personal leave days shall be accrued at the rate of one-quarter (1/4) day for each month of completed service. At no time may an employee accumulate more than eight (8) days of personal leave.

Part-time employees hired after June 30, 1982, must consistently work an average of 50% of a regularly scheduled work week to be eligible for this benefit.

Crossing Guards are eligible for this prorated benefit.

B. Personal leave must be taken in units of at least forty-five (45) minutes.

C. Personal leave shall not be unreasonably denied, provided the employee requests such leave with at least three (3) calendar days' notice, but four (4) calendar days if the request encompasses two (2) of the employee's regularly scheduled off days. In emergency situations, the notice requirement may be waived by the supervisor. Request for personal leave for religious holidays shall not be denied.

D. Employees will be paid for unused personal leave when separated from City service.

If these three days are not used by December 31st, they cannot be accumulated nor can they be carried over into the new year. Should the member leave during the year and the three "floating holidays" have not been used, those three days will not be included in the final compensation cash out of used leave, unless the employee is in pay status on the date of the holiday identified above would have occurred.

B. All Presidential and Congressional General Elections shall be observed as holidays. Employees who are eligible and registered to vote may request and shall be granted, if necessary, up to two (2) hours with pay for the purpose of voting in other elections.

C. Holidays which fall on Saturday shall be observed the preceding Friday, and holidays which fall on Sunday shall be observed the following Monday. H. When a shift employee's scheduled day off falls on a legal holiday, the employee shall be granted in lieu of the holiday, a day off within the same pay period or no later than the following pay period, by properly notifying management or be paid overtime for said holiday.

ARTICLE 24: OTHER LEAVE

A. Job Injury Leave

An employee sustaining an occupational injury or accident which is not the result of his negligence shall be granted full pay and shall not be required to use any sick leave, vacation or personal leave if, upon medical examination and certification by the Employer's physician, it is determined that the injury and/or accident disables the employee. Under this circumstance, the affected employee shall be examined periodically by the Employer's physician to determine the progress and length of time necessary for recovery.

However, in the event that the employee files for Workers' Compensation for the same accident, his pay shall be offset by the difference between the full salary paid under this provision and the temporary total rate paid under the Workers' Compensation Law.

Employees will be eligible for a fixed number of days, 195 workdays per job-related accident or injury which shall be designated as job injury leave days. The days will be used as needed for job-related illnesses or injuries. On the 196th day, employees shall receive one-half (1/2) day of job injury leave and shall be deducted one half (1/2) day of accumulated leave for 20 additional days.

C. Prescription Drug Program

1. The parties shall continue to administer a generic prescription drug program. Employees and their dependents shall as a general rule be expected to have prescriptions filled with generic equivalents when proprietary drugs are ordered. However, if medically necessary, an employee or dependent may apply for permission to purchase a proprietary drug by name even though a generic equivalent may be available on the market. If an employee or dependent secures prior permission to purchase a proprietary drug in lieu of a generic drug, the employee shall be subject only to a co-pay at the rate of a generic drug. In order to qualify for permission, the employee must first submit satisfactory written medical documentation for review to the Employee Benefits Division of the Department of Human Resources. After impartial review by a qualified health care professional, Employee Benefits Division shall either grant, deny or ask for additional information about the application. Employees or beneficiaries who are approved shall be expected to purchase the approved proprietary drug from a participating pharmacist, and to initially pay the cost of the drug out-of-pocket. All covered out-of-pocket expenses shall thereafter be reimbursed by the City.
2. The Employer shall continue the Prescription Drug Plan in effect as of the date of this Memorandum with the following co-pays:

(a) The co-pays set by the Employer effective January 1, 2004, for a thirty (30) day retail prescription shall be three-tiered, that is, in three different classifications: \$10.00 for a generic drug; \$20.00 for a preferred brand name drug; and \$30.00 for a non-preferred brand drug. The co-pays set by the Employer effective January 1, 2004 for a ninety (90) day mail order prescription shall be three-tiered, that is, in three different classifications: \$15.00 for a generic drug; \$25.00 for a preferred brand drug; and \$35.00 for a non-preferred drug.

- (b) On or before October 1, 2003, the employer shall provide to the Union a schedule of the drugs classified as generic, brand name and non-preferred. The Employer shall not be arbitrary in its assignment of a drug to one co-pay classification as opposed to another.
